Application due date: January 3, 2012

Part I

1. Name and topic of your research/project:

2. Give a general description of your proposal (100 words approximately)

3. Give the starting date for your research/project: _____

Give anticipated time of completion for your research/project _____

4. Total budget for this research/project _____ (detailed description of your budget to follow in Part III).

4. Are you receiving or have you received other sources of funding for this research/project?

Name your source _____

Amount _____ Date(s) _____

Part II

(Please type on separate sheet(s) of paper)

1. Describe in detail the purpose of your research/project (refer to Guidelines). Include your

hypothesis and methodology for your research/ project, if applicable. If your proposal is an artistic project, describe how, when, and where it will be presented, displayed, or performed.

2. Provide a list of relevant sources for your research/project. Discuss key literature and resources that supports your research/project. Include a list of persons whom you intend to interview (if applicable) for your research/project.

3. Justify why you believe CSU-ERFA should support your research/project. Describe specifically the benefits and contributions of your research/ project. If it is to be of specific value to CSU retirees, explain how.

Part III

1. Provide a detailed budget needed to conduct and implement your research/project.
2. Enter the total amount of expenditures listed on page one of this application (Part 1, Item #3).

Part IV

1. Provide a summary of your resume. Include a bibliography of your publications, papers, or other scholarly or artistic activities, especially any that relate to the study or activity of your proposed research/project.
2. Attach any additional information or materials that you wish the Foundation Grant Awards Committee to consider.
3. The CSU-ERFA Executive Committee will notify you in February 2012 should you be selected to receive a grant.

Mail your application to: CSU-ERFA
